Dear Mr. Sellers:

The question arose when we read the following at the bottom of the website [www.littlegeniedistributors.com](http://www.littlegeniedistributors.com):

By purchasing any item sold by Little Genie Distributors, the buyer expressly warrants that he/she is in compliance with all applicable Federal, State, and Local laws and regulations regarding the purchase, ownership, and use of the item. It shall be the buyers' responsibility to comply with all Federal, State, and Local laws governing the sale of any items listed, illustrated or sold. The buyer expressly agrees to indemnify and hold harmless Karma Global Enterprise Inc. DBA: E.Z. Wholesale for all claims resulting directly or indirectly from the purchase, ownership, or use of the item in violation of applicable Federal, State, and Local laws or regulations.

In that language there is the express hold harmless language benefiting Karma Global Enterprises DBA E.Z. Wholesale.

On another note, can you please tell us if Capitol City Trading or any other entity controlling Capitol City Trading or Littlegeniedistributors is incorporated and if so, in what state? We can not find any record that you have formally incorporated either as a corporation or limited liability company in Alabama. Also, it would be appreciated if you could provide your middle initial for our records. We looked in the telephone directory and found a number of William Sellers.

Look forward to hearing from you.

Respectfully yours,

Dear Mr. Sellers:

This is further to my earlier email regarding the sale of the STIFF NIGHTS brand of supplement on your website. Upon further investigation we have learned that Karma Global Enterprises, Inc., dba EZ Wholesale is associated with that site. We have further learned that Karma Global and Anees Dadwani have been involved with counterfeit products before.

Please share with us the relationship of Karma Global Ent. Inc and EZ Wholesale with Little Genie Distributors and Capitol City Trading?

Please remember that since you are on notice, you are prevented from having any communication with Mr. Dadwani or anyone else for that matter regarding this matter.

I look forward to hearing from you.

Dear Mr. Sellers:

Thank you for contacting our office this morning regarding the correction of the "whois" information for the domain [www.littlegeniedistributors.com](http://www.littlegeniedistributors.com). I also appreciate you taking the time to speak with me this morning concerning the sale of STIFF NIGHTS product through that same website.

As you requested, attached is a copy of the preliminary injunction and temporary restraining order instructing those having notice to stop selling STIFF NIGHTS. The court here in Michigan has determined that product on the market currently is counterfeit. Our goal is to identify the manufacturer and primary distributor of the product here in the United States. We urge your cooperation in identifying your sources for the product going back as early as January 2009 if possible.

With respect to product currently in inventory, we ask that you remove the product from sale, conduct an inventory count, and provide us with the quantity on hand. Then we ask that you wrap the product and store it in a location where it cannot be tampered with. Moreover, we ask that you do not inform your suppliers or anyone else that may leak the fact that we are pursuing this action. We do not want anyone alerting the suppliers so that we can find the source of the counterfeiting.

Please call me should you have any questions.

Barry:

It was good to see you in the courtroom today. Thank you for the opportunity to speak with you regarding the resolution of this matter. In return for a dismissal without prejudice of Capital Sales from your suit and elimination of Capital Sales from the preliminary injunction going forward, we discussed turning over our recent purchase orders of the accused product and sales reports on where our products went. You mentioned that there were some items that you would want to be in the affidavit and that you would email this information to me. Let me know when you have it. I have also spoken to Mr. Haddad and informed him of your request not to speak with his contact at Import Warehouse regarding the lawsuit. He did tell me that he already informed Import Warehouse about the lawsuit immediately upon being served with your papers, but agreed that he would refrain from speaking with them about the lawsuit going forward, if that is acceptable.

**Re: Sale and Distribution of STIFF NIGHTS male sexual stimulant**  
**Case No.: 1:11-cv-1220 RHB**

Dear Mr. Bhatia:

Thank you for taking my call today concerning recent business relations with Capital Sales Company in Hazel Park, Michigan. As I mentioned, I am an attorney who represents Impulsaria, LLC. Impulsaria LLC is the plaintiff in a lawsuit against many defendants concerning the distribution and sale of a counterfeit product sold under the STIFF NIGHTS brand name. Enclosed is a copy of an order issued by the United States District Court in the Western District of Michigan concerning Capital Sale Company and anyone who has worked in concert with them or otherwise has notice of the order. Please review the order as this has important ramifications to your company.

We understand that on or about December 6, 2011, Mr. Sam Haddad contacted your company concerning the sale and distribution of STIFF NIGHTS herbal male sexual stimulant, and that his company had been sued, alleging that the product sold was counterfeit. The communication by Mr. Haddad is a violation of the order. We are now contacting you so that you are on notice not to contact the company or person who sold the STIFF NIGHTS product to your business. It is our contention the product that you sold is counterfeit and our objective is to locate the source of the counterfeit product. It is therefore important that you do not alert the seller so that all evidence in this matter is preserved.

It is recommended that you engage an attorney after you have ceased all sales of the STIFF NIGHTS product and have preserved your business records and any inventory in your possession. Once those steps have been taken, we invite your attorney to contact our office immediately.

Thank you for your cooperation in this matter. We look forward to hearing from your attorney should you so choose.

Respectfully yours,

Barry C. Kane

Hi Mr. Kane,

The sellers are still here, as all or most of them sell other products. I have hidden the Stiff Nights listings from public view because I don't want buyers purchasing the items in light of the information you have provided. The listings are still in our database should the need arise to retrieve them.

For your convenience I have provided links to the stores of the sellers given to you in the list requested:

<http://www.atomicmall.com/seller.php?id=71219>  
<http://www.atomicmall.com/seller.php?id=93928>

<http://www.atomicmall.com/seller.php?id=122459>  
<http://www.atomicmall.com/seller.php?id=125480>

In researching this item, I noticed several instances of this same product being sold through other marketplace sites. I don't know if any of these sellers overlap with ours or if the items are counterfeit in nature but I thought you would probably want to be aware of them:
